TENDER ID: HRDP-P1064-Photo-2026-01

Sanjeevani Vikas Evam Jan Kalyan Samiti invites sealed bids from professional photography and videography agencies for Project video documentation in March 2026 across 20 villages in Block Theog, District Shimla, Himachal Pradesh.

Objective To systematically document project interventions under the HRDP Project (P1064), capturing visual evidence and impact stories for donor communication and knowledge dissemination

Scope of Work & Technical Specifications: The hired team will be responsible for documenting the following multi-sectoral interventions:

- **Anganwadi Centre:** Visual coverage of upgraded infrastructure, learning materials, and impact on children.
- **Solar Street Lights:** Daytime and nighttime coverage focusing on safety, visibility, and community feedback.
- **Education & Farming:** Documentation of school infrastructure improvements and high-yield pea seed demonstrations.
- **Health & Wellness:** Documentation of infrastructure improvements and interviews with Community Health Officers (CHO).
- **Irrigation:** Capturing water tanks and pipelines with practical demonstrations of farming impact.
- **Project Strategy:** Interviews with Project Managers, Coordinators, and CRPs on community transformation.

Deliverables Expected:

- » **Video Documentation:** Edited/NON Edited case studies and impact stories featuring authentic beneficiary voices.
- » **Photography:** High Resolution photos for also interventions.
- » **VDC Focus:** Special emphasis on the role of Village Development Committees in gap identification and community mobilization.
- » **Reports:** Supporting documentation for transparency and donor reporting

Vendor Criteria: To ensure the delivery of professional, evidence-based content, applicants must meet the following criteria:

- » **Professional Expertise:** Proven experience in developmental sector documentation, specifically in rural or hilly terrains like Shimla.
- » **Technical Equipment:** Ability to provide professional-grade videography and photography equipment capable of capturing clear audio and high-resolution visuals in varied lighting (day and night).
- » **Storytelling Capability:** Demonstrated skill in conducting structured interviews and developing impact-driven narratives from field observations.
- » **Logistical Readiness:** Capacity to deploy a team to cover multiple remote village locations within the two-day intensive schedule.
- » **Data Management:** Capability to provide both edited final products and organized raw footage for institutional records.

How to Apply:

- » Company profile and contact details.
- » Proof of previous supply experience (with references, preferably in the region).
- » Detailed quotation.
- » Letter of Expression of Interest.
