ABOUT US

Sanjeevani Vikas Evam Jan Kalyan Samiti, also known as Sanjeevani Organisation is a non-government social organization, registered under Societies Registration Act 21, 1860. Since our inception in the year 2000, Sanjeevani has been working unremittingly on multiple themes for overall and inclusive development, such as education, health, environment, livelihood, rural development, etc. in rural hilly regions of Uttarakhand and Himachal Pradesh states in India Sanjeevani is compliant to all the regulations of Government of India and State government such as registration under 12A, and 80G, registered to receive grants under CSR through Form 1 under Ministry of Corporate Affairs, registered under Foreign Contribution Regulation Act (FCRA). Sanjeevani has successfully undertaken and implemented many development programmes through partnership with government, national and international development agencies.

OBJECTIVE

To ensure timely support for farmers in the upcoming cropping season by procuring high-quality seed and planting material under Activity 2.14, and to strengthen knowledge transfer through Activity 2.15 by establishing demonstration plots and demo units on vegetable and fruit cultivation in open fields. This initiative aims to enhance productivity, promote sustainable practices, and empower farmers with practical, field-based learning opportunities.

SCOPE OF WORK

Activity 2.14: Procurement of Seed & Planting Material

- **Objective:** Supply farmers with high-quality, certified seed and planting material to ensure timely preparation for the upcoming cropping season.
- **Tasks:**
 - ❖ Identify and procure improved varieties of vegetable and fruit seeds suitable for local agro-climatic conditions.
 - ❖ Ensure all seed and planting material meet national certification and quality standards.
 - ❖ Package and distribute materials to designated farmer groups within the project area.

- ❖ Provide basic guidelines on seed handling, storage, and planting to beneficiaries.

Activity 2.15: Demonstration and Demo Units on Vegetable & Fruit Cultivation

- **Objective:** Establish practical demonstration plots to showcase improved cultivation practices and promote farmer adoption.

- **Tasks:**

- ❖ Set up demo units in open fields for selected vegetable and fruit crops.
- ❖ Implement best agronomic practices, including soil preparation, nutrient management, irrigation, and pest control.
- ❖ Facilitate farmer field days and training sessions at demo sites.
- ❖ Document and disseminate results, highlighting productivity gains and sustainability benefits.

Deliverables

- ❖ Timely delivery of certified seed and planting material to farmers.
- ❖ Establishment of demonstration plots.
- ❖ Training sessions conducted for farmer groups, with attendance records maintained.
- ❖ Final report summarizing distribution, demo outcomes, and farmer feedback.

Compliance & Standards

- ❖ All procurement and demonstration activities must comply with project guidelines, donor requirements, and relevant government regulations.
- ❖ Vendors must ensure transparency, timely delivery, and adherence to quality standards.

SELECTION & EVALUATION

Sanjeevani Vikas Evam Jan Kalyan Samiti reserves the right to accept or reject any tender without assigning any reason. All procurement processes adhere to strict guidelines to ensure accountability and ethical practices. Selection will be based on technical competence, pricing, past experience, and overall suitability to execute the project.

KEY HIGHLIGHTS

Ensuring timely availability of high-quality inputs for improved productivity.
Distribution to farmer groups with guidance on handling and planting.
Showcasing best agronomic practices for sustainable farming.
Organizing farmer field days and training sessions for practical learning.
Documenting outcomes to promote adoption and scale-up of improved techniques.

Overall Goal: Strengthen farmer capacity, enhance crop yields, and promote sustainable, inclusive agricultural practices.

COMMITMENT TO SAFEGUARDING

At Sanjeevani, we are committed to safeguarding project participants. We will do everything possible to ensure that only those suitable to work with vulnerable people are recruited to work with us. All selected contractors must comply with our safeguarding policies and guidelines.
