OPEN FOR BIDS**INTRODUCTION & SCOPE****Procurement & Supply of Bucks & Goats**

Sanjeevani Vikas Evam Jan Kalyan Samiti invites sealed bids from authorized manufacturers, dealers, and suppliers for the procurement and supply of healthy goats to support small and marginal beneficiary households in the project area. Delivery site: Community villages of Syalde Block, Almora District, Uttarakhand.

● **Buck** Healthy, disease-free, preferably of local improved breed; age 12–24 months

● **Goat** Healthy, disease-free, preferably of local improved breed; age 12–24 months; preferably pregnant or of breeding age

NOTE: All animals must be clinically healthy, active, and free from any visible signs of disease, injury, or deformity. Preferred breeds are local improved breeds suitable for the agro-climatic conditions of the project area. Each animal shall be subjected to health inspection by a qualified Veterinary Officer at the time of delivery. Animals found unfit shall be rejected and replaced at the supplier's cost within the stipulated time.

ABOUT THE INTERVENTION:

The objective of this intervention is to help vulnerable households diversify their income sources, strengthen their livelihood assets and enhance their income-generating capacity through goat rearing.

IMPORTANT NOTES

Selection & Evaluation

Sanjeevani reserves the right to accept or reject any tender without assigning any reason. Selection based on technical competence, pricing, experience, and overall suitability.

Commitment to Safeguarding

At Sanjeevani, we are committed to safeguarding the project participants. We will do everything possible to ensure that only those suitable to work with vulnerable people are recruited to work with us. All selected vendors must comply with our safeguarding policies and guidelines.

Deadline: 12 September 2026 | Contact: procurement@sanjeevaningo.org | www.sanjeevaningo.org

One intervention. Multiple gains.

01

Diversify Income

Households gain a reliable secondary income stream through the sale of kids and mature animals.

02

Build Assets

Goats become productive assets that multiply over time and strengthen household resilience.

03

Local & Sustainable

Low input, high adaptability — ideal for small and marginal farmers in the project area.

Livelihood Support

Support package for 100 households
